# EOS™ Magic Wand & Smart Edges

## The revolution in embroidery design: Magic Wand and Smart Edges.

### Magic Wand

The trace function gives you the opportunity to have the software automatically define the outlines, block by block, producing outlines for all creation methods.

### Smart Edges

This semi-automatic block definition tool allows you to define the edges of any shape simply by dragging a box around the block. Drag the mouse over the area you want and Smart Edges will define the shape.

### Simplified Digitizing!
